

Staying Alive in Urology Nursing

Chicago Metro Suna Spring Conference

March 29, 2025

Get ready to dance your way through the latest in urology nursing! With the spirit and energy of Saturday Night Fever, this conference is set to be a high-energy, engaging experience packed with enlightening sessions and hands-on exhibits. As the disco lights shine, we'll explore topics such as innovative treatments, patient-centered care, and the future of urology nursing. Don your best disco attire, if you dare, because this event combines serious clinical insights with the fun of 1970s flair!

We are glad to offer you an opportunity to provide information about your product at our upcoming educational urology nurses meeting at the **Sheraton Lisle Naperville Hotel** featuring a large exhibit hall.
